“The Bluff”

Memories  
light the  
corners  
of my  
mind

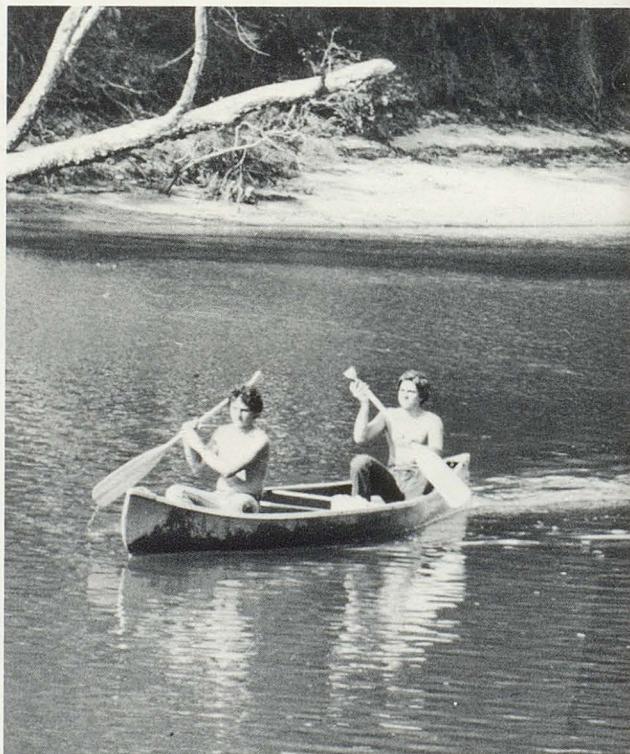

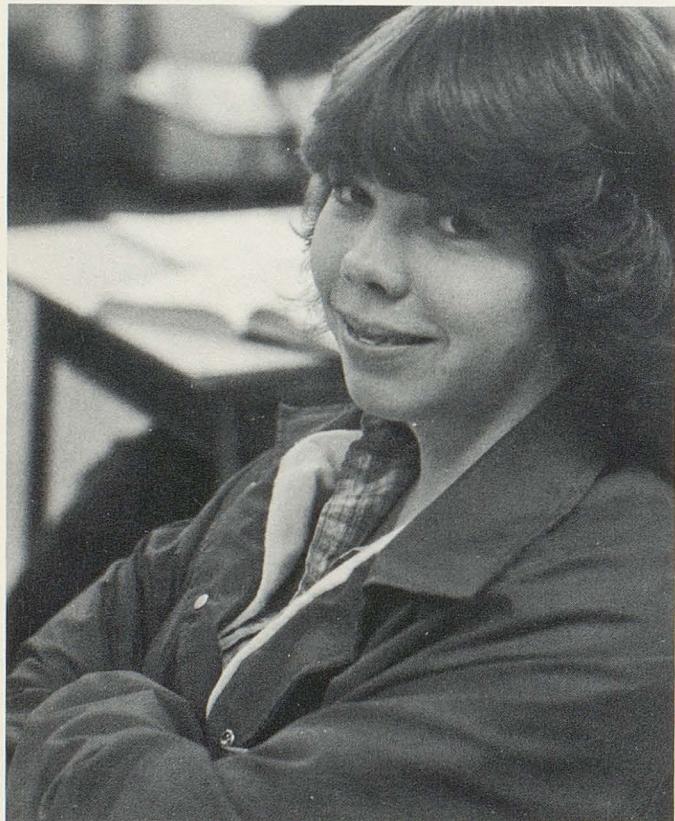

Misty water  
colors memories  
of the way  
we were

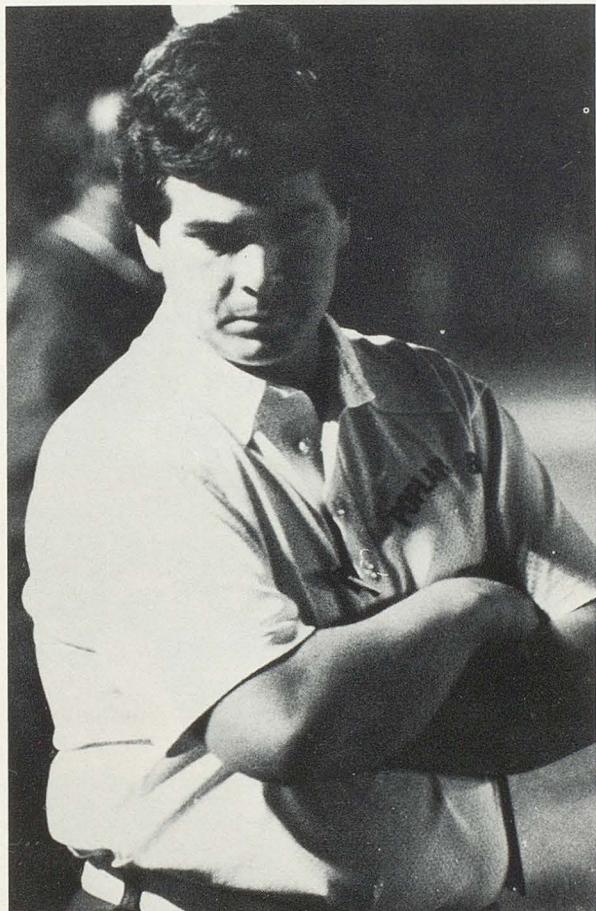

Scattered pictures  
of the smiles  
we left behind

Smiles we gave  
to one another  
for the way  
we were

Can it be that it was  
all so simple then  
Or has time rewritten  
every line  
If we had the chance  
to do it all again

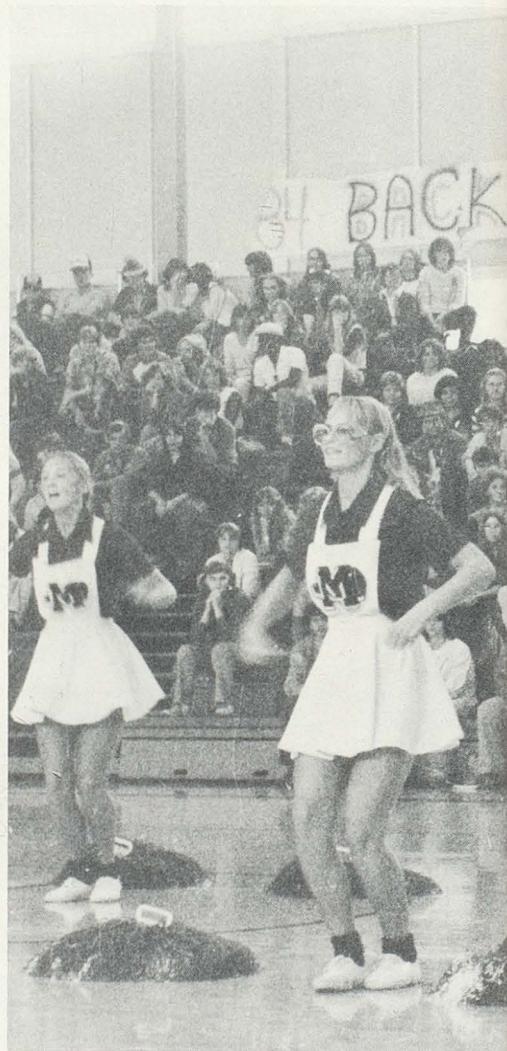

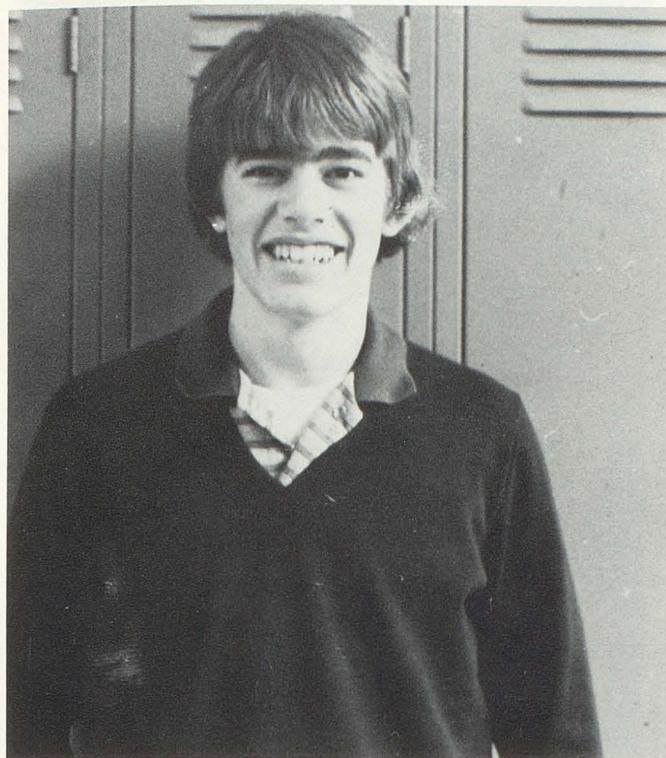

Would we,  
could we

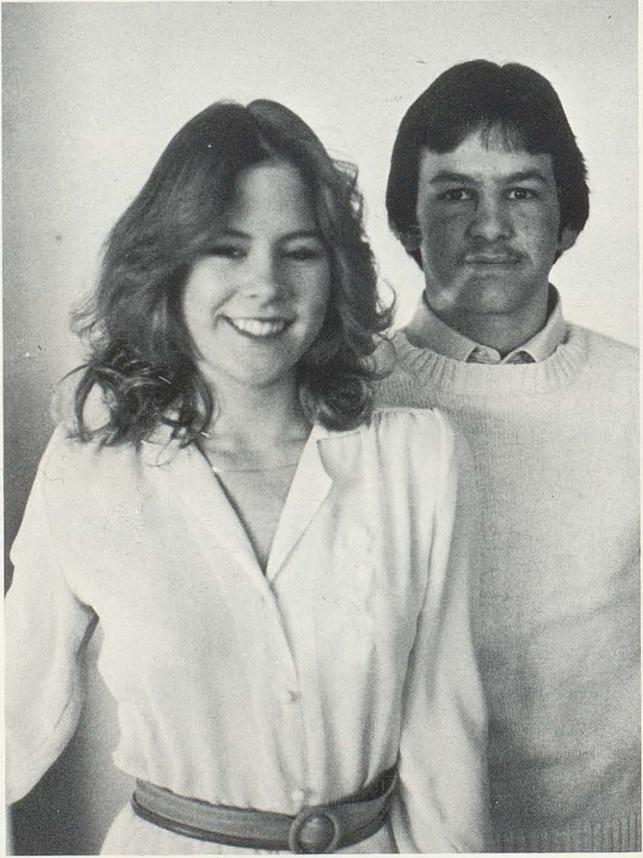

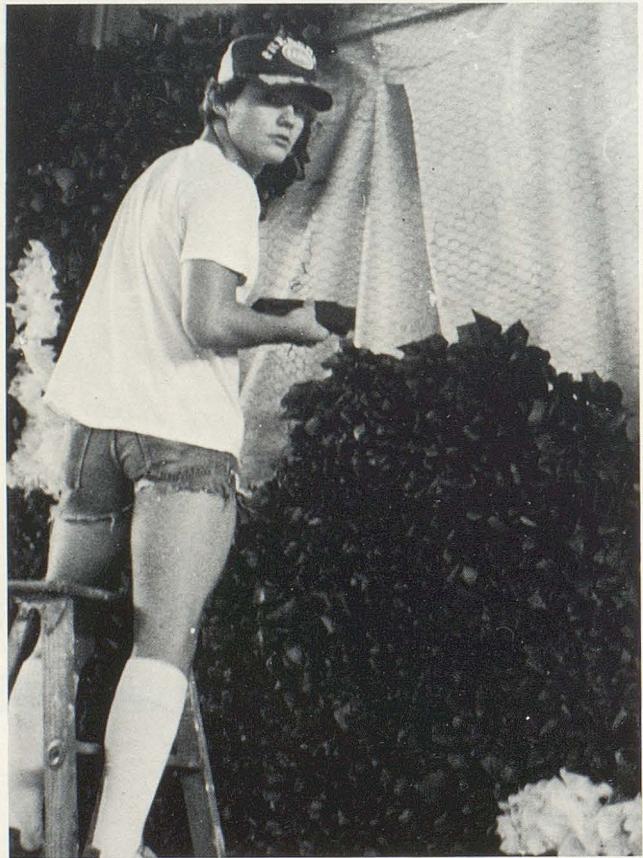

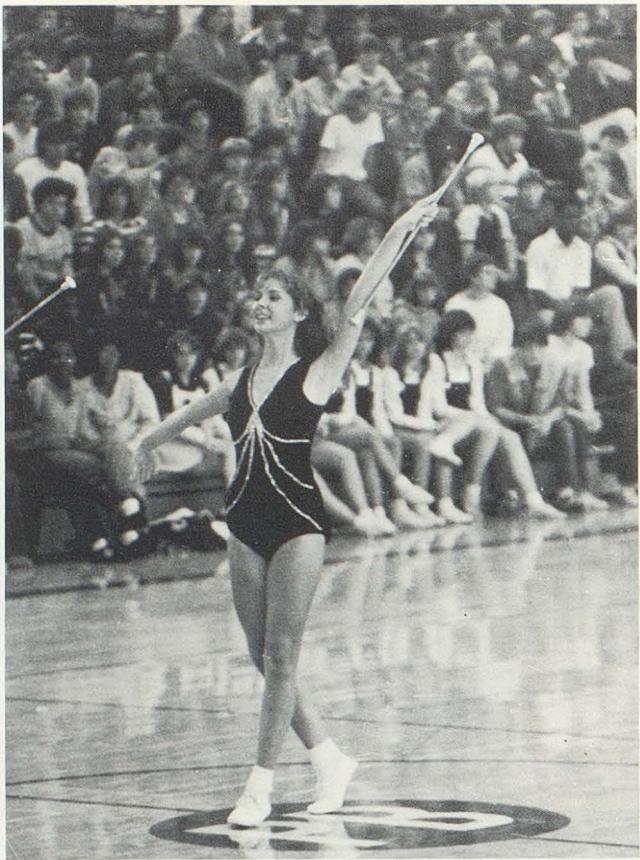

Memories may be  
beautiful and yet  
What's too painful to  
remember  
We simply choose  
to forget

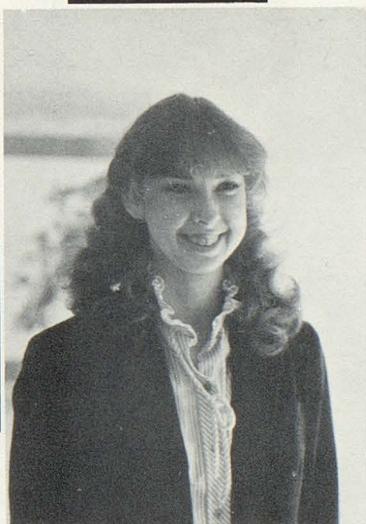

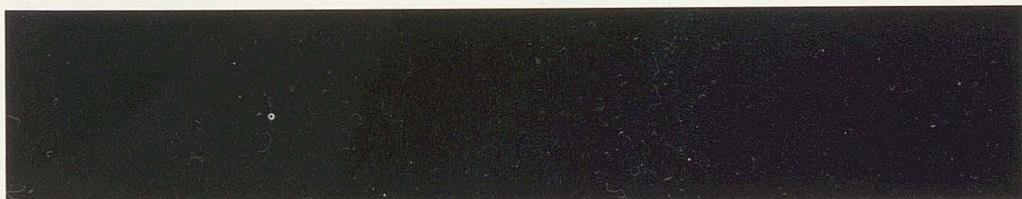

So it's the laughter  
we will remember

whenever we remember  
the way we were.

### *"The Rose"* (song)

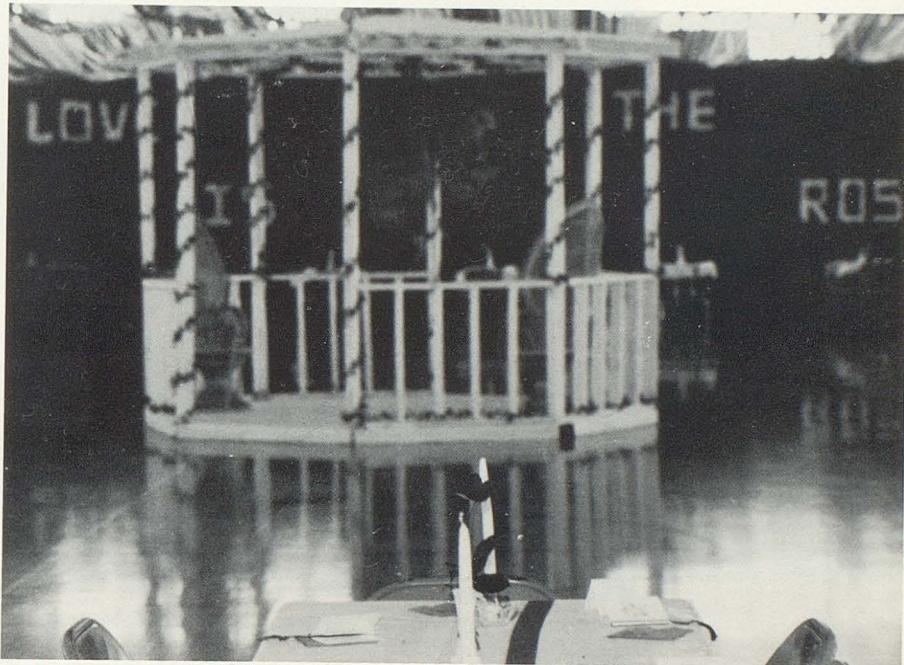

Some say Love, it is a river  
that drowns the tender reed.  
Some say Love, it is a razor  
that leaves your soul to bleed.  
Some say Love, it is a hunger;  
and endless aching need.

I say Love, it is a flower  
and you it's only seed.

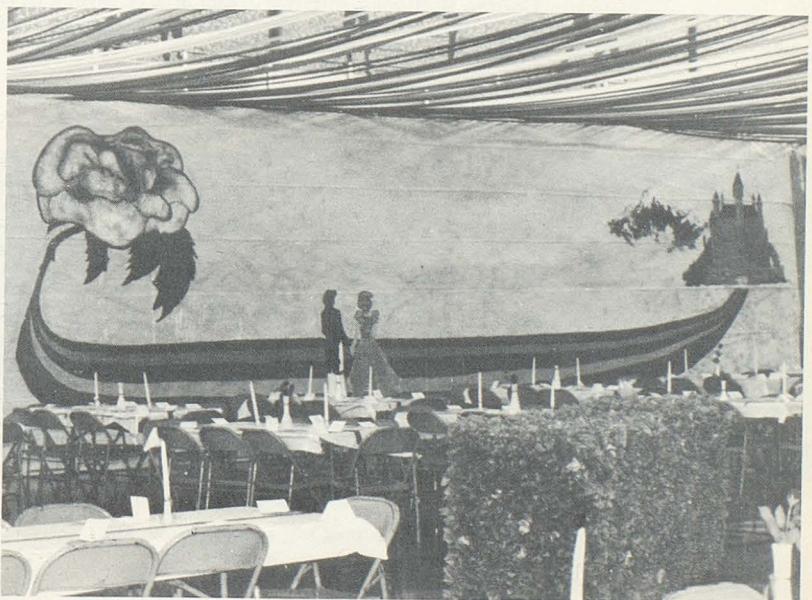

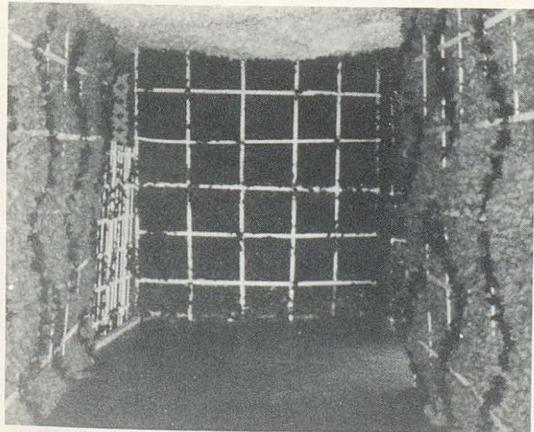

It's the heart afraid of breaking  
that never learns to dance.  
It's the dream afraid of waking  
that never takes the chance.  
It's the one who won't be taken;  
who cannot seem to give.  
And the soul afraid of dying;  
that never learns to live.

When the night has been too lonely.  
And the road has been too long.,  
And when you think that Love is only;  
for the lucky and the strong.  
Just remember in the winter;  
far beneath the bitter snow.  
Lies the seed with the sun's Love'  
in the spring, becomes, THE ROSE.

This 1982 yearbook is the effort of the "Bluff" staff and myself to provide you with memories of your high school days at P.B.H.S.

As every other human being, we do make mistakes, and if any of those mistakes causes embarrassment to anyone we are truly sorry.

A whole year of hard work has been put into producing this yearbook, but without the student himself, it would not be possible. In our work, we tried to include the school as a whole, along with its students, teachers, activities, sports events, and everything else that goes along with high school.

The four years we attend high school are four of the most important years of our lives. We learn to grow and to become independent. It can't be said that these years are easy because they are anything but that. These are the years, however, that determine the rest of our lives.

To Seniors, the "Bluff" staff says, "Good Luck," to underclassmen, we say, "Hang in there the best is yet to come."

Yours truly,

Tracy Casinger
